

Date, 09th July 2008

Expressions of Interest,

The Ministry of Electricity – Kurdistan Regional Government will announce the tender documents for the contracts for construction of new and extension of existing substations and construction of new 132 and 33 kV DC transmission lines in the all three Governorates of the Kurdistan Region.

The Ministry invites expression of interest to participate in the tendering and submission of proposals for below mentioned projects. All expressions of interest to be received no later than 12:00 o'clock on SUNDAY at 20/7/2008.

Pre – qualification forms will be sent to the Companies which express interest for the tendering. The short listing of the potential tenderers will be based on the information provided in the pre – qualification forms. Two weeks after the closing date for receiving expressions of interest, short listed companies will be notified that they have been short listed and they will receive the tender documents.
