

Country: Iraq
Project: Dokan and Derbandikhan Emergency Hydropower Project
Sector: Supply and Installation of Plant and Equipment
Product: Derbandikhan HPP Switchyard
Credit No.: 4249-IQ
Bid Code: W07/11

This Procurement Notice refers to the rebidding of the same competitive bidding which Procurement Notice has been published on the United Nations Development Business on October 6, 2008. Relevant General Procurement Notice was published on Jun 5, 2006

The Republic of Iraq has received a credit from the International Bank for Reconstruction and Development toward the cost of Dokan and Derbandikhan Emergency Hydropower Project, and it intends to apply part of the proceeds of this credit to payments under the contract for the refurbishment of the Derbandikhan HPP Switchyard.

Derbandikhan HPP is equipped with three units for a total capacity of 249 MW, is one of the largest power stations in the Kurdistan Region, and is connected to the national power grid. The HPP is part of a multipurpose scheme for power production and irrigation in its area. The Derbandikhan switchyard (132/33/11 kV) is located 300 m nearby the Derbandikhan HPP, which is situated about 70 km south east of Sulaimaniyah city, in the Kurdistan region of Iraq.

The Scope of Work includes the design, supply, installation, and commissioning of the following main equipment aimed at improving the existing switchyard:

- 63 MVA, 132/33/11 kV power transformer;
- Complement deficiencies in 132 kV GIS Bays;
- 33 kV and 11 kV equipment;
- Grounding Reactor;
- Auxiliary transformer and grounding transformer;
- High, medium, low voltage cables, control and measure cables, cabling system and accessories;
- 400V AC distribution system and marshalling kiosks;
- Lighting and socket outlet systems;
- Batteries;
- Battery charges;
- DC distribution system;
- Protection system;
- Miscellaneous works;
- Fire Detecting system;
- Fire extinguishing system for all the three 63 MVA, 132/33/11 kV power transformers;
- Air-conditioning and ventilation system (HVAC).

To be qualified for the award of the contract, bidders shall possess the following requirements:

- (i) specific experience in the supply and installation of the equipment for high voltage switchyards of power plants acquired in the last 5 years. This includes at least two supply and installation contracts, each including at least one transformer at 132 kV or above, of a minimum size of 40 MVA.
- (ii) a total turnover for the last three years (2008 to 2010) greater than 15 million US Dollar;

- (iii) the policy of the Bidder as well as those of all its subcontractors shall not forbid either the contractor or its subcontractors to provide expatriated personnel to work in Iraq, and therefore the contractor and its subcontractors shall be in the position to actually provide the expatriated personnel needed for the erection and commissioning of the equipment;
- (iv) absence of any non-performance of a contract in the last three years prior to the deadline for application submission, based on all information on fully settled disputes or litigation;
- (v) not being under execution of a Bid-Securing Declaration in Iraq;
- (vi) all pending litigation against the contractor shall in total not represent more than 10%, (tenpercent) of the contractor's net worth;
- (vii) current soundness of the contractor's financial position and its prospective long term profitability, and capacity to have a cash flow amount of US\$ one million equivalent, both proved by the audited balance sheets of the last three years (2008 to 2010) or, if such audited balance sheets are not required by the law of the contractor's country, by other financial statements acceptable to MOE;
- (viii) Bidders as part of their financial qualification must introduce a bank account with a reputable Bank and the relevant corresponding Bank which can guarantee international financial transactions. During the evaluation phase, the Employer may request written evidence from both Banks of such guarantee.

Bidders may associate to enhance their qualifications.

Bidding will be conducted through the international competitive bidding procedures specified in the World Bank's Guidelines: Procurement under IBRD Loans and IDA Credits, and is open to all bidders from eligible source countries as defined in the Guidelines.

Interested eligible bidders may obtain further information from the Ministry of Electricity (MOE Address 1) of the Kurdistan Regional Government (KRG) or from ELC Electroconsult, at the addresses given below, and inspect the bidding documents at the same addresses from 08.00 to 15.00 hours, Sunday to Thursday for MOE and from 09.00 to 17.00 hours, Monday to Friday for ELC Electroconsult.

A complete set of bidding documents in English may be purchased by interested bidders on the submission of a written application to one of the addresses below and upon payment of a nonrefundable fee of US\$ 800. The documents are available from September 19, 2011 and can be collected from the addresses given below or will be on request sent by regular mail. The documents may also be sent using international courier upon receiving advance payment of US\$ 50 for the courier fee.

The method of payment will be by cash. Payment may also be carried out by certified check, or prior deposit into the bank accounts as follows:

For payment to MOE:

- by certified check made payable to Dokan and Derbandikhan Hydropower Project (PMT), or
- deposit into the following bank account:
Trade Bank of Iraq, Sulaymaniyah Branch, Iraq
Account number 0004003065001

For payment to ELC Electroconsult:

- by certified check made payable to ELC Electroconsult S.p.A., or
- deposit into the following bank account:
Banco di Desio e della Brianza
BIC: BDBDIT22
IBAN: IT79 0034 4020 1000 0007 8300 018

Bids must be delivered to the MOE's address below (MOE Address 2) at or before November 14, 2011, time: 12 am.

All bids must be accompanied by a bid security of two hundred thousand US dollar (200,000 USD) or an equivalent amount in a freely convertible currency. Late bids will be rejected. Bids will be opened in the presence of the bidders' representatives who choose to attend in the Ministry of Electricity at the address below (MOE Address 3) five minutes after the deadline for submission of bids.
